WHO WE ARE

Westside International College of Health Sciences (WICHS) is a leading institution focused on health sciences and management education. It aims to connect theoretical knowledge with practical skills to develop professionals who can impact global healthcare. WICHS emphasizes innovation, research, and holistic education for students' growth. The university collaborates closely with Westside Family University Hospitals to provide integrated learning experiences.

VISION

To be a global leader in shaping the future of health sciences and , research, and practice, producing professionals who excel in their fields and contribute to the betterment of society.

MISSION

To provide world-class education and training in health sciences by fostering innovation, research, and ethical practices while addressing the dynamic needs of the global community.

A group of graduates in blue and yellow regalia, including caps and stoles, are posing for a photo. Some are holding blue diplomas that say "WESTSIDE INTERNATIONAL COLLEGE OF HEALTH SCIENCES". One graduate's stole has "CONGRATULATIONS" and "CLASS OF 2025" written on it. Another's has "SOPHIA MUKAMI".

**BRIDGING
KNOWLEDGE AND
PRACTICE FOR
GLOBAL IMPACT**
